

## NORTHWEST WHEAT CROP

Estimated Yield in Minnesota and The Two Dakotas.

MINNEAPOLIS, MINN., Aug. 24—The annual wheat crop estimate for Minnesota, North Dakota and South Dakota, compiled by the Journal, was published to day. The total yield of wheat in the three States is placed at 165,000,000 bushels, divided as follows: Minnesota, 63,000,000; South Dakota, 39,000,000; North Dakota, 63,000,000.

This is a gain of 22,000,000 from last year for North Dakota and Minnesota. The acreage is placed at 3,325,000 each for Minnesota and North Dakota and 3,000,000 for South Dakota, 5 per cent reduction from last year, being allowed for the two states, first named, with no reduction for South Dakota, the decreased acreage in northern counties of that State being offset by an increase in the other counties. These figures are considerable in excess of the government average, but the yields of four years appear to verify them. The crop is placed from 10,000,000 to 15,000,000 bushels below that of 1891, but the above estimated yield removes all doubt as to the "bumper" proportions of the crop, although the figures are now more conservative than some of the estimates made.

It is expected that Minneapolis and Duluth will receive at least 100,000,000 bushels from the new crop, while Chicago and other outside points are expected to draw nearly 15,000,000 out of South Dakota. The quality of the crop relatively is not as good as last year, but the report of smut damage is referred to as not being an important factor. The six Red River Valley counties in North Dakota are estimated to yield 36,000,000 bushels, or an average of about 21 bushels, a little less than was raised in 1891.

## NEWSUM TO BE TRIED.

A Special Term of Court for That Purpose Will be Held September 9th.

The Newsum murder case has been set for a hearing at Jackson on the 9th of September. Judge Shackelford of Booneville will try the case. Two years ago Newsum was tried in the Circuit court at Jackson and at that trial the jury returned a verdict of guilty and Newsum was sentenced to be hanged. An appeal was taken to the Supreme Court and that court reversed the lower court and the case will be tried for the second time.

Newsum was indicted for killing a saloon keeper in New Madrid and his case was brought to this county on change of venue. At the first trial nearly one hundred witnesses came up from New Madrid county and testified for four days. Able lawyers were employed on both sides and a hard fight was on from the beginning to the end of the trial.
